⚠ Caution

Please read before use

•The product is intended for ages 8 and older. Please do not give the product to anyone below the specified age.

Do not place in your mouth

<Usage Warnings>

- Discard plastic packaging immediately after opening.
- Do not place the product on resin treated products such as sofas, seats, and tiles. Long-term exposure may discolor the product.
- Do not forcibly pull or bend moveable parts or attachments.
- The product is composed of various electronic components. Do not drop, wet, dirty, or dismantle the product. Do not use or store the product under extreme temperatures.

How to Use the Dim *The Dim registers the user information used within the Vital Bracelet when initially inserted. Once used, the Dim cannot be used on other Vital Bracelets.

DIMCARD

Dim is a data memory drive that is used as an expansion for the Vital Bracelet

- Area** Gain access to areas and missions
- Digimon** Gain access to the Digimon data that lives within the area
- Graphic** Gain access to area graphics that are used as backgrounds

- *Use the bracelet fully charged. Do not use the bracelet on low power.
- *Do not turn off the power while the Dim is inserted.
- *Do not remove the Dim until notified.

Removing the Dim

Remove the Dim from the Dim card.

Insert the Dim

Insert the Dim into the Dim slot on the Vital Bracelet while on the home screen.

Data transfer

The data stored within the Dim will copy the data into the Vital Bracelet. It will take approximately 50 seconds for the copying to complete.

Transfer complete

Once the copy is done, the Dim's information will display.

Removing the Dim

Remove the Dim once the image on the right displays.

Error ①

The error shown on the left appears when the data is broken, or an unusable Dim is inserted. *This error will also appear when a Dim registered on another Vital Bracelet has been inserted.

Deleting data

If there is no space available, you will be prompted to delete your Digimon.

Error ②

The error shown on the left appears when the copy fails. Remove the Dim, and then follow the instructions shown on the bracelet to reinsert the Dim.

Wearing your Vital Bracelet

Put the Vital Bracelet on when the image on the right appears.

Hatching your Digi-Egg

The Digi-Egg will hatch using the copied data from the Dim.

Your very own Digimon

Once the data is read, your Digimon will appear from the hatched Digi-Egg.

Transition to the home screen

You will transition to the home screen where you can begin training your Digimon.
